

Embassy of the United States of America

Athens, Greece

October 23, 2013

To: Prospective Offerors,

Enclosed is a Request for Quotation (RFQ) for **Chimney Cleaning and Repair Services**. If you would like to submit a quotation, complete the required portions of the attached document, and submit it electronically by email with the subject line "**Quotation SGR100-14-Q-0005 Enclosed**" to Athensoffers@state.gov on or before 15:00 (Athens Time) on **November 1, 2013**. You may also elect to submit your proposal in hard copy marked for the attention of the "**Contracting Officer – Quotation SGR100-14-Q-0005 Enclosed**", which may be delivered to the Embassy Gate on Doryleou Street, on or before 15:00 (Athens Time) on **November 1, 2013**. No quotation will be accepted after the cut-off date and time.

The U.S. Government intends to award a Blanket Purchase Agreement (BPA) to one or more responsible companies submitting an acceptable quotation with fair and reasonable prices. We intend to award a BPA based on initial quotations, without holding discussions, although we may hold discussions with companies if there is a need to do so.

A BPA is an Agreement, not a contract, and neither party is bound by its terms and conditions. The Government is not obligated to purchase any definite amount under this BPA. If a need arises, an authorized representative of the Government may issue an order following the procedures outlined in the BPA. If the BPA-holder accepts the order, then a binding contract between the Government and BPA-holder will exist for that specific order. If the BPA-holder refuses to accept orders or furnish quotations in compliance with the terms of the Agreement, then it is likely that the Government will cancel the Agreement.

Sincerely,

Eric T. Lind

Contracting Officer

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined*. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment*. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples*.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).
